Dear Ryan Gummer & Jim Alexander,

We just wanted to write you a letter to let you know that we were 100% satisfied with your company, Secure Foundation Consulting, LLC. From the first meeting with Joe Egizio, to the grouting and the clean up with Reid and his entire crew everyone was totally professional, friendly and extremely efficient. We would highly recommend you, in fact we already have. Thank you again for doing a great job on our home.

Regards,

Joe & Sheila Lotrecchiano
