Dear Ryan,

We want to thank all of you at Secure Foundation for the good job you did on our house at 14065 Pullman Dr., Spring Hill.

Want to thank the guys that worked on the drilling and the guys that worked with Reed on the grouting. Special thanks to Reed for all his help.

Thank you Ryan for explaining the procedure of the job when you came to our home with the report from BCI. Thanks to Jim for assisting with the prep work when it got started. Thanks to Joe and Dave and Bree for their help to make the job go smooth as possible. Please pass our thanks to Jim Bailey at BCI for his assistance with the job too.

Sincerely,

Fran & Chris Christos
